Mr. Weldon Yokeley,
149 N. Highland Ave.,
Winston-Salem, N. C.

Dear Sir:

I was under the impression when you first wrote me you were a resident of Greensboro, since your last letter it has been called to my attention that you resided in Winston-Salem. Due to the fact that there is a Gentleman in Winston-Salem with whom we have done business very satisfactory, there would of course be not any reason of changing to some one else. I am writing him to get him to handle all games played in his vicinity.

If you have incurred any expenses to date, send me the bill for the same.

Yours very truly,
